RE: Petition of South Carolina Electric & Gas Company for Updates and Revisions  
to Schedules Related to the Construction of a Nuclear Base Load Generation  
Facility at Jenkinsville, South Carolina - Docket No. 2010-376-E

Dear Ms. Boyd:

During the April 4, 2010 hearing in this Docket, the Commission directed South Carolina Electric & Gas Company ("SCE&G") to submit a late-filed exhibit regarding the escalation impact of the \$174 million increase in capital costs on the overall project cost.

Pursuant to the Commission's request, please accept this into the record for this proceeding as a late-filed exhibit to be identified, per the court reporter, as Hearing Exhibit No. 7.

If you have any questions regarding these matters, please do not hesitate to contact me.

Very truly yours,

  
Belton T. Zeigler
